

THE CARE PACKAGE

Health insurance coverage options for small to mid-sized businesses can be pricey. The CARE package was designed to help you take CARE of your employees' needs without breaking the bank.

This is just a summary of benefits.

TELEHEALTH & PHARMACY

- Talk to a doctor any time day or night, on the weekend or when traveling and away from home. No inconvenience or hassle of traveling to the doctor's office, urgent care or ER and waiting to be seen.
- If a physician recommends medication as part of the treatment plan, the prescription will be digitally sent to the local pharmacy of choice.
- Tele-behavioral health included: provides assessment, diagnosis, consultation, and brief psychotherapy to address your behavioral health needs. Two sessions included per family member. Additional sessions available - fees apply.
- Our pharmacy membership, provided by ECRx Select, will allow you to fill your prescription at any of 64,000 pharmacies nationwide.
- The most utilized acute medications in our formulary can be purchased up to a 21-Day supply for a \$5.00 payment.
- The top 75 most utilized chronic medications in our formulary can be purchased in a 90-Day supply mailed conveniently to your home.
